

**FEEL
UNSTOPPABLE**

We would like to invite you to attend a parent's information evening event on **14 November at Graham School between 6-7pm** to introduce you to the NCS programme and how this can benefit your young person this coming summer in partnership with Graham school.

NCS is the country's flagship youth programme that has had over 400,000 young people participate in.

Every year, more and more teenagers from Scarborough sign up to NCS. Graham School had 50 signups for Summer 2018. The locations vary across the UK and France and this evening is an opportunity to find out about how the NCS programme can benefit your young person and how to get them signed up to secure their place.

Why NCS for Your Teen?

It's an opportunity for your young person to boost their CV, meet new people and give back to their community. NCS is a unique programme focused around fun and discovery, plus 30 hours planning and 30 hours delivering a community project that benefits both young people and society. Young people build skills for work and life, while taking on new challenges. According to NCS graduates almost three quarters (72%) feel more confident about getting a job after doing NCS.

See what parents of NCS graduates have said...

"I couldn't believe the difference in her when she came back; it was amazing! She was raring to go. It's given her the confidence to be more independent".

Reward your Teen

We know that year 11 can be a stressful time for your teen and NCS is great reward in the summer for finishing their exams. NCS is amazing value for money, never costing more than £50! That cost is for the whole experience and includes food, accommodation and activities.

We hope to see you for the parent's information evening where we can answer questions about the programme and give you all the information to get your young person signed up.

In the meantime, for more information on NCS or to book your young persons place visit www.ncsyes.co.uk or call school to speak with Mr Peattie who is our in-school coordinator.

Best Wishes
